Gift to the Nations Ministry Projects

Dear Friends – God continues to generously provide for New Harvest Missions International through partners and supporters like you. Together we are able to make a difference one life at a time in the communities we are serving in West Africa.

EXPANSION OF CURRENT NHMI MINISTRY PROJECTS

Church Planting and Discipleship

Continuing highly effective efforts for gospel impact on cultures and communities through the local church.

Leadership Development & Theological Education

Providing comprehensive biblical leadership skills training as well as practical equipping of national church planters, pastors and leaders.

Child Sponsorship Program “Bridge of Hope”

Empowering the next generation of impoverished church families by investing in their communities through education of their children.

Microloans for Small Business Start-Ups

Increasing financial, spiritual and social well being of Christian families and their communities by providing small business loans.

EXCITING OPPORTUNITIES FOR KINGDOM ADVANCEMENT WITH NHMI MINISTRY PROJECTS

Christian School Building Project

A “first of its kind” in Christian education! Six new classrooms will provide quality education to over 300 children currently attending an over-crowded schoolhouse in the village of Anie in Togo West Africa.

NHMI Medical Care Outreach

In close partnership with small village churches, NHMI will provide medical care while sharing the love of Christ to rural villages in West Africa who suffer untimely deaths caused by easily treatable diseases.

New Bible Institute Campus Building

Located in Lomé the capital city of Togo, NHMI has exciting plans to build a permanent campus facility equipped with an administration building, classrooms, dormitory housing, and library faculty housing.
